**BASIS FOR MONUMENT LOCATION:**

(Describe method of survey and corner authentication)

2/10/1978 - A. Kiedrowski found no records of any resurveys. Could not find any evidence of previous monuments. Harrison Monument set on a straight line between adjacent Langlade County Corners and at a distance called for in the original notes. Tied out the corner.

1/6/1988 - C. Nowaczyk retied the corner because of the moving of a power pole.

5/14/2012 - I recovered the Harrison Monument of record. Three ties were found to be existing and in good condition. Measured to existing ties and set an additional witness monument to the SW as shown below.
