○ = Corner monument restored.

History of original corner establishment:  
Original survey conducted, started November, 1854, finished December, 1854, by James Withrow, deputy Surveyor, found no original evidence as per original government notes.

Description of corner evidence found:  
Found old cedar wood post rotted off at ground level with sharpened point. Post located at fence intersection. Presumed post to be old fence post and not the original corner. Set standard Langlade County monument in place of wood post.

*11/17/94 D.T. TALKED TO MIKE NORDIN. IN 1982, HE FOUND MELINDY'S CORNER 28' WEST OF THIS FENCE CORNER.*

Description of monument and accessories I established to perpetuate the original location of this corner:

Dated at Wausau, Wis., this 12th day of August, 1980.
