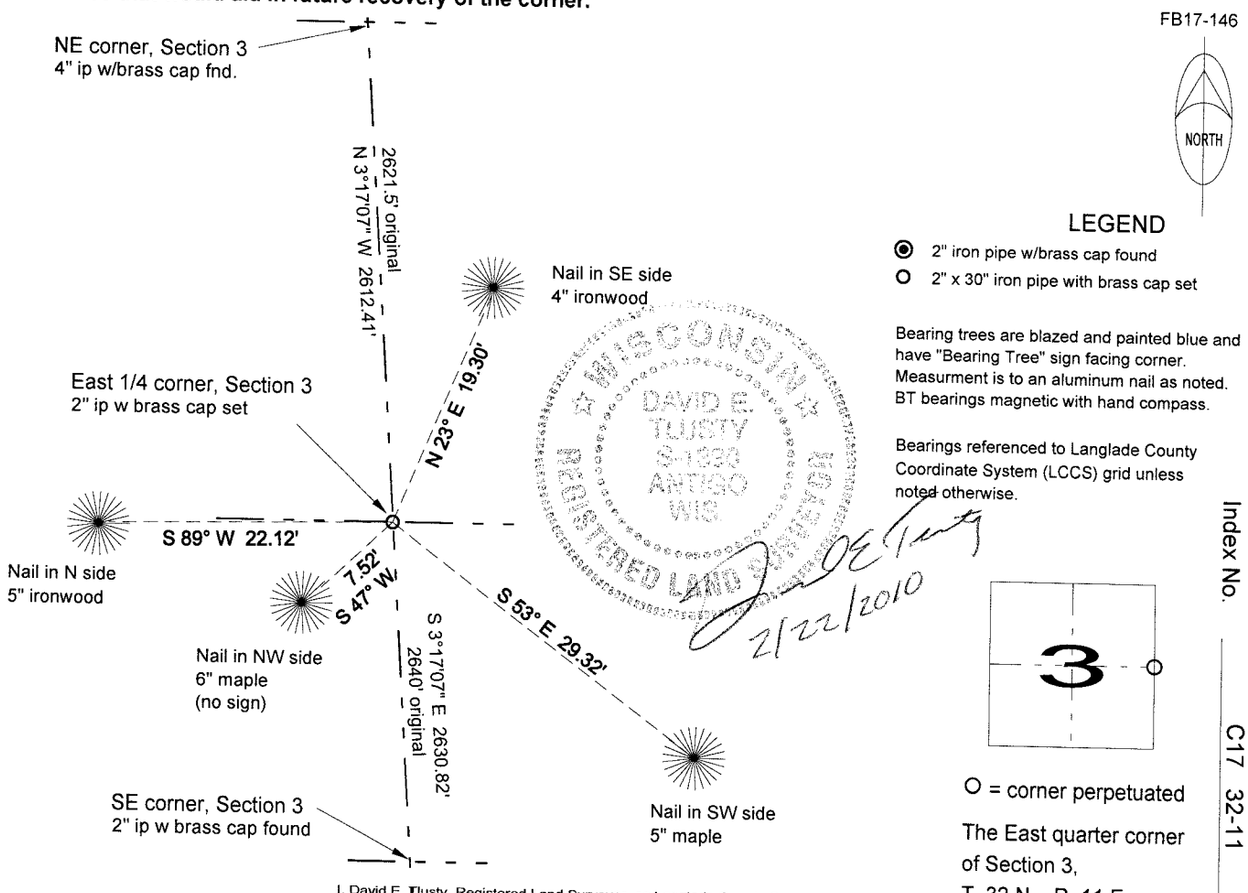
Describe record evidence, recovered physical evidence, occupational evidence, testimonial evidence and all other evidence considered in the recovery/restoration of the corner.

The original corner was established in 1860 by Hiram Fellows. Original bearing trees; sugar, 17", N 7W, 18 links and a lind, 20", N40W, 23 links.
Since the original government survey, there are no other records of survey along this line or for this corner.
05/21/02 D. Tlusty, D. Williams searched for any evidence, found nothing. Re-established the corner by single proportionate measurement between adjoining section corners. Set the monument described below and marked bearing trees as shown.

Physical description of the monument set:

I set a 2" dia. x 30" flared bottom iron pipe with brass cap, top up 0.8', for the corner.
I set a white vinyl sign post 0.8' south of the corner monument.

Describe the accessories used to perpetuate the corner. Include a plan view drawing and accessories found/set. Describe measuring point on bearing trees. Show any topographic features that would aid in future recovery of the corner.



I, David E. Tlusty, Registered Land Surveyor, as Langlade County Surveyor, certify that the corner location on this record was determined by me and that this U.S. Public Land Survey Monument Record is correct to the best of my knowledge and belief.
