U.S. PUBLIC LAND SURVEY MONUMENT RECORD

(As Required By s. A-E 5.02, WI Adm. Code)

History of original corner establishment and subsequent restorations and description of any record, monument, occupational, testimonial or other evidence considered:

In 1865, J. Nowlin, set post and established 2 B.T.s; a Fir 8" N.78°E. 13 lks. and a Fir 7" S.64°W. 10 lks.

No further record evidence was found;

Restored through acceptance of an obliterated evidence location Restored through acceptance of a found perpetuated location

view drawing and indicate what was set and/or found)

corner location)

In 1991, I was shown a roughly trianglar granite stone, by F. Getchell, a life long resident of the adjacent farm, which was settled by his grandfather. The stone is more or less pointed and has an X chiseld on the top. Found the remains of a very old and badly decayed 6" sq. cedar stake at base of stone.

Considered a lost corner and reestablished through lost corner proportionate methods (include a plan view drawing showing distances and directions to other Public Land Survey Corners used for proportioning and determining the
